

Instructions for poster submission

- 1) Submissions of Posters on ecology and hydrology of semiarid areas are invited to the workshop. The posters will be presented in the Senate Building near the Senate Hall at specific time slots and will be presented by the Authors as part of the program.
- 2) Poster title, authors name and affiliations, and half page abstracts should be submitted to geoconf@bgu.ac.il by April 15.
- 3) The Scientific Committee will send decision on the suitability of the abstracts and the time slot allocated by April 20.
- 4) Posters should be prepared according to the guidelines in the Workshop Website and brought with the presenter to the Workshop site.
