

A POSITION IN PHYSICAL GEOGRAPHY

The Department of Geography & Environmental Development
Ben-Gurion University of the Negev
Beer Sheva, Israel

The Department of Geography and Environmental Development at Ben-Gurion University of the Negev, Israel, invites applications for full-time, tenure-track position to commence during the academic year 2018-2019 (pending final approval by the university authorities). Applications are open in the field of physical geography with focus on spatial and temporal ecosystem responses to environmental changes.

The Department is located within the Faculty of Humanities and Social Sciences (see: <http://in.bgu.ac.il/humsos/geog/Pages/default.aspx>). It conducts research and teaching in most fields in physical and human geography, and geoinformatics. It has a strong commitment to excellent research and teaching of bachelor, master, and PhD programs.

The successful candidate will have a PhD degree in geography or related field, with a post-doc background and publication record. The position includes full-time teaching, supervision of graduate students, and the development of a research field, based on competitive grants. The teaching language is Hebrew.

Applicants should send a complete CV, a one page statement of research and teaching interests, and three names and Email addresses of academic referees to: Prof. Itzhak Katra, Chair, Department of Geography and Environmental Development, Ben-Gurion University of the Negev, Beer Sheva, P.O.Box 653, Israel; e-mail: katra@bgu.ac.il. **The application deadline is 31 October 2018.**
